## PRECINCT DELEGATES.

Representative conservative democrats have endorsed the following ticket for delegates from the city precincts to the Democratic County Convention to be held at Powellton, April 14 and ask that they be given a hearty support by the voters:

Precinct 1—C. H. Gingles, David Sheehan, Wm. Bazzell, J. D. Maxwell, and T. F. Wrighton.

Precinct 2—W. A. Mount, Thos. Hannah, John Christie, J. Geo. White and W. T. Duncan.

Precinct 3—Geo. Brown, Jos. L. Johnson, J. S. McLaughlin, John Pfeiffer and J. E. Barks.

Precinct 4—E. H. Putnam, John West, Wm. Bennett, J. E. Abernethy and W. A. Dunham.

The Atlanta Journal figures up the net cost of imperialism to date, \$68,928,063. The aftermath cannot yet be estimated.

WILKINSON CALL made trouble in the democratic household of Florida for several years, not so much because of his own ability, as because the party was honeycombed with would-be reformers who wanted to get control of its management for their individual benefit. Since the party got rid of him the reformers have subsided. Let Mr. Call now have a life-long rest.

ONE of the latest Christian Science victims has brought suit against a local church in Baltimore for \$20,000 damages for humbugging him into the belief that its mummery could cure him of a serious illness. Besides paying \$5 for a small book, he was told to repeat a certain formula of words. He grew worse, and when near death a physician was called in and his recovery, although slow, was complete. If the case is vigorously prosecuted, it may result in fixing the legal status of this sort of "healing."

To continue an office-holder in office indefinitely simply because he has performed his functions satisfactorily assumes that men should be especially rewarded for performing their duty—for doing what was rightfully expected of them; as if the faithful performance of official duties is so rare a thing that it must be paid for by extraordinary favors. It also assumes that the party contains no other individual capable of the faithful performance of official duty—which is absurd, besides being insulting to ninety-nine one-hundredths of the party membership.

## Democratic Policies.

At a meeting of "gold democrats" held at Indianapolis a few days ago, resolutions were adopted re-affirming the principles enunciated in the Indianapolis platform of 1896, and declaring as follows:

There can be no compromise with those who purpose to support Mr. Bryan or any other candidate on the Chicago platform.

The significance of this expression lies in the fact that it presents no suspicion of personal antipathy to Mr. Bryan, but regards him simply as the chosen exponent of a policy which received, in the election of 1896, the express condemnation of an overwhelming majority of the people of the United States. With that policy or doctrine eliminated from the democratic scheme, it is doubtful if a single democratic vote in the country would be lost to the ticket, whether its head was Mr. Bryan or any other reputable and able democrat.

With a democratic platform embracing doctrines which have never before been repudiated by the democracy, and including those issues which are almost daily being furnished by republican blundering, enclivity and insincerity, the democrats could, and would, give Mr. Bryan the greatest popular majority ever recorded in the history of the country.

Many believe that Mr. Bryan, who has had exceptional opportunities for observing the trend of public sentiment in all quarters of the nation, fully realizes the logic of the situation, and that he is too great a man to insist upon maintaining the breach in the party caused by the Chicago platform, but will, at the proper time, advise the formation of a platform upon which all of the democrats in the country can stand without yielding one iota of the cardinal democratic principles and doctrines to which they may be wedded. Should he do this, he would at once

become the idol of the whole party, as he now is of a section of it. Doing this, he would rise above the plane of a mere stickler for a single item of party doctrine, never accepted by the whole party and never likely to be, and take his rightful place as the greatest leader the party has ever had.

## U. C. V.

Annual Reunion First Brigade, at DeFuniak.

Veterans' Day at DeFuniak Springs Saturday, was one of the most notable gatherings ever held there. Large as the crowd was, there was plenty of room and excellent entertainment for all, and no one departed unsatisfied.

The address by the distinguished young orator of Montgomery, Mr. John W. A. Sanford, was a gem of the first water, and was received with such manifestations of delight and approval as rarely come except to the real princes of oratory. Hon. Wallace Bruce, president of the Chautauqua, was particularly outspoken in his admiration for the speaker's effort.

Mr. Bruce and his associates did everything possible for the reception and comfort of the veterans and their friends, and not an untoward incident occurred to mar the day's enjoyment.

About 200 veterans were in line in the parade.

Mr. Sanford is to-day, and part of to-morrow, a guest at the Escambia hotel, and will be pleased to meet any of the veterans who may be able to call on him.

The First Florida Brigade, U. C. V., met in annual reunion at 3 o'clock, General George Reese presiding, and Comrade C. V. Thompson acting as adjutant. The camps located at Pensacola, Milton, DeFuniak Springs, Chipley, Marianna and Quincy were represented.

General Reese in welcoming the veterans in eloquent words reminded them of their glorious mission "to transmit to our posterity a true history of the war between the states; to keep green in the hearts of our people the sacred memory of our comrades who gave their lives for their country." He also declared that by so doing, veterans would not be less loyal to their common country and to its starry flag.

On motion, the thanks of the brigade were tendered to the Chautauqua management and the railroad officials for courtesies; to the band and chorals for the fine music rendered, and especial thanks, warmly expressed, to the Hon. Wallace Bruce for his untiring efforts to make our reunion such an eminent success.

The thanks of the brigade were also tendered to the Hon. Jno. W. A. Sanford for his eloquent address, and he was earnestly requested to furnish a copy of the same for publication. A vote of thanks was also made to the sheriff of the county for the use of the court house—the place of meeting.

General George Reese was nominated for re-election as general of the brigade, but at his request the election was postponed to an adjourned meeting to be held during the state reunion, April 25 and 27.

The brigade then adjourned to meet in Pensacola April 26 or 27, or at the call of the general commanding.

## KNIGHTS OF PYTHIAS.

Brief Report of Proceedings of the Grand Lodge.

Past Grand Chancellor T. E. Welles and several of the delegates returned Saturday night from Key West, where they attended the meeting of the Grand Lodge, Knights of Pythias. They report a pleasant trip and an enjoyable session of the lodge.

They arrived at Key West last Tuesday on the steamers City of Key West and Olivette and were met by committees and citizens who escorted them to Hotel Key West.

On Wednesday morning the uniform rank of the order, headed by the Key West Cornet band, assembled in front of the hotel and escorted the members of the grand lodge to the Odd Fellows' hall, where the courtesies incident to the gathering of such a body took place. After arriving at the hall, Capt. S. A. Walker called the body to order and introduced Hon. W. H. Harris, who delivered the address of welcome on behalf of the mayor and citizens. This was responded to by Grand Chancellor T. E. Welles, who delivered a splendid eulogy of the order. Mr. Welles said the first place his foot on the soil of his adopted state (Florida) at Key West, and he touchingly referred to some of the older residents.

Hon. W. H. Harris introduced Hon. Jeff B. Browne, who welcomed the grand lodge in behalf of the local lodges, 1-st and 14, and Coral City, No. 58. Supreme Representative W. R. O'Neal of Orlando responded with appropriate remarks.

Mr. Julius Otto then presented a gavel made from the wood of the battleship Maine, to be used by the grand chancellor in presiding over the grand lodge.

Capt. S. A. Walker announced the various matters of entertainment provided for the visitors. After singing an ode, the meeting was dismissed. The grand lodge then proceeded to the Masonic Temple, where they were organized in due form.

The report of the grand keeper of records and seals showed the following facts: Lodges instituted, 3; total membership, December 31, 1898, 2,817; total membership December 31, 1899, 3,113; number of subordinate lodges to date, 59; assets of subordinate lodges, cash, etc., \$39,158.67; expended by subordinate lodges for relief, \$6,409.81; grand lodge receipts during the year, \$5,975.23; expenses, \$8,922.24; balance on hand, \$2,650.03.

The grand chancellor's report showed thirty-one sections of the endowment rank in the state, with 489 members, carrying an insurance of \$1,001,500. During the year \$15,000 have been paid to the beneficiaries of deceased members in Florida.

On Friday the session closed, after the election and installation of the grand officers, as follows:

Grand chancellor, Sumpter L. Lowery of Tampa.

Grand vice-chancellor, Herbert Cook of Ocala.

Grand prelate, W. A. Allen of De Land.

Grand keeper of records and seal, W. H. Latimer of Tavares.

Grand master of exchequer, Wm. C. West of Jacksonville.

Grand master at arms, J. H. Watson of Bartow.

Grand inner guard, W. M. Stewart of Palatka.

Grand outer guard, G. W. Reynolds of Key West.

Past grand chancellor, T. E. Welles of Pensacola.

## Prevented a Tragedy.

Timely information given Mrs. George Long, of New Straitsville, Ohio, prevented a dreadful tragedy and saved two lives. A frightful cough had long kept her awake every night. She had tried many remedies and doctors, but steadily grew worse until urged to try Dr. King's New Discovery. One bottle wholly cured her, and she writes this marvelous medicine also cured Mr. Long of a severe attack of pneumonia. Such cures are positive proof of the matchless merit of this grand remedy for curing all throat, chest and lung troubles. Only 50c. and \$1.00. Every bottle guaranteed. Trial bottles free at W. A. D'Alemberte's drug store.

## Police Court.

Mayor Hilliard had twenty-five cases before him this morning, the last including a crowd of negro boys caught in the act of shooting craps, most of whom were fined the usual amount. Two of the cases were for vagrancy and the culprits were sent up for thirty days each. Three of the victims were discharged. One, a member of the Monroe county. Alas, exorcism, was fined \$25. The fines assessed aggregated \$152.30.

## Mother's Friend

Those who do know about it wonder how they ever got along without it. It has robbed childbirth of its terrors for many a young wife. It has preserved her girlish figure and saved her much suffering. It is an external liniment and carries with it therefore, absolutely no danger of upsetting the system as drugs taken internally are apt to do. It is to be rubbed into the abdomen to soften and strengthen the muscles which are to bear the strain. This means much less pain. It also prevents morning sickness and all of the other discomforts of pregnancy.

A druggist of Macon, Ga., says: "I have sold a large quantity of Mother's Friend and have never known an instance where it has failed to produce the good results claimed for it."

A prominent lady of Lambert, Ark., writes: "With my first six children I was in labor from 24 to 30 hours. After using Mother's Friend, my seventh was born in 4 hours."

It is very hard to stand idly by and see our dear ones suffer while awaiting the arrival of the doctor. An Albany (N. Y.) dairyman called at a drug store there for a doctor to come and see his child, then very sick with croup. Not finding the doctor in, he left word for him to come at once on his return. He also bought a bottle of Chamberlain's Cough Remedy, which he hoped would give some relief until the doctor should arrive. In a few hours he returned, saying the doctor need not come, as the child was much better. The druggist, Mr. Otto Scholz, says the family has since recommended Chamberlain's Cough Remedy to their neighbors and friends until he has a constant demand for it from that part of the country. For sale by Hannah Bros., 21 South Palafox street.

## MOUNTAIN MINT TONIC.

One year ago to-day I placed on the market my preparation—Mountain Mint Tonic. I advertised in "The Daily News" for a period of six months. Prior to this, the medicine was unknown to the public. Up to date, 4296 bottles have been sold. The Tonic has made friends wherever it has gone, and practically no one has complained that it is not exact as represented.

Recently I have made a valuable addition to its composition, enhancing its value very much. This has been done at great expense to me, while the price to the public remains the same, namely: One dollar per bottle, six bottles for five dollars.

The addition spoken of above is directed especially to the relief of indigestion in its varied forms.

With proper diet the Tonic will cure the worst forms of this tormenting affliction with its hundreds of obscure symptoms, often referred to other organs than the stomach.

By this addition, its virtues as a general tonic and invigorator and blood purifier, are not impaired in the least. No better medicine can be found for the relief of those diseases that are so prevalent in the spring months.

I take this opportunity to thank my friends for the support they have given this Tonic, and promise that Mountain Mint Tonic as improved, will give still better satisfaction.
